

# Alexandre Dupont

## Senior Software Engineer

Email: test\_cand\_f4812e@swiply.local | Phone: +33 6 12 34 56 78 | Location: Paris, France

---

### PROFESSIONAL SUMMARY

Experienced software engineer specializing in scalable web systems, modern JavaScript/TypeScript, Python, and automated pipelines.

### CORE SKILLS & TECHNOLOGIES

Python, React, TypeScript, Node.js, FastAPI, PostgreSQL, Docker, Git, REST APIs, CI/CD

### WORK EXPERIENCE

#### Senior Software Engineer - Tech Innovations Inc. (4 Years)

- Architected high-performance microservices, REST APIs, and event-driven backends.
- Developed responsive, accessible web interfaces and state-driven frontend components.
- Automated CI/CD pipelines, container orchestration, and end-to-end integration workflows.

### EDUCATION & CREDENTIALS

#### B.S. in Computer Science / Software Engineering

- Comprehensive coursework in Distributed Systems, Algorithms, and Software Design.
